Geez, what were you doing?
Don't you know how important that sortie was?
I'm ashamed...
We don't have enough buckets for you today,
So take a long rest in the baths, Nagato.
P-Please excuse me!

This is all the result of my mis-take...
I let my guard down due to my specs as the strongest battleship class.
It's not surprising I was left behind by those who train harder every day.
I must become strong in the name of the Big 7....!

I must become strong ...!

I'm in a real pinch!

ガギギン!
How weak.
Are you unhurt?
Y-Yes!
どガーん
I won't let any of you take a scratch!
It's no fair you beat them all by yourself!
How enchanting!
わぉ
Wonderful, dess, Nagato-san!
My opinion of you changed a bit...

You'll go alone again today, Nagato-san.
I've received reports that you fight better by yourself.
Other ship girls would only distract you.
Mm...
That's fine by me.
I'll go protect everyone!
Well hey there!
Aren't you lonely all by yourself?

I'm more than enough to beat you.
Just so you know.
But to think you made it this far alone...
You've surprised me. I'll give you that much.

I'd like to see you try!
Under-estimate me and you'll end up on the seabed!

4. ACTIVATE DAMAGE CONTROL ...!!!
Geez, don't scare me like that.
What was that about damage control...?
...It was a dream?
Hm?
Huh?
Oh, Nagato. You're awake?
Ah, that is-
It was me.
Who took heavy damage?
Someone was heavily damaged, so we retreated.
I took medium damage
We went on another sortie, but the enemies were too strong.
どどどどど
By the way, what happened to you guys?
Maybe we just love~ baths?

Ushio ended up like this cause she protected the flag-ship.
She pushed herself a bit too far~
I...
...I just-
Ushio ...?
I want to apologize to you, Nagato-san!
I should have protected you in the first sortie!
If I were heavily damaged, it wouldn't affect our firepower much...
It's a tactic to win!
!
It's our duty to escort the high powered battleships safely to the boss.
That's why it wasn't your fault.
All of it was my...
Hff...

Look at you, acting all cool~
...I see.
So don't act rashly. We'll grow stronger together.
It was my fault alone for getting careless.
You don't have to blame yourself.
I only need to do what I can at my usual pace.
I don't have to push myself to handle everything.
None of us are alone in this.
But we're still out of resources.
Wahahaha~
Seems like all's well that ends well.
